Then Jesus took them through the writings of
Moses and all the prophets, explaining from
all the Scriptures the things
concerning Himself.

...
They said to each other,
"Didn't our hearts burn within us
as he talked with us on the road
and explained the Scriptures to us?"

REACHING KIDS

WITH THE LOVE OF JESUS

The **R.O.C.K.** in **ROCK International** is a double acronym:
Relief, Opportunity, and Care for Kids
Resources Of Crucial Knowledge

ROCK International is a **channel** for projects that provide holistic care for the short-term, long-term, and eternal needs of children; offering relief, opportunity, and care amid danger, abuse, and neglect.

ROCK is also a **creator** of multi-language multi-media resources designed to clearly communicate God's story and message to people of all cultures and ages.

SENEGAL WEST AFRICA

THE MISSION: in partnership with the local church, **ROCK** is a channel for mutually envisioned projects, providing encouragement and support for specific opportunities, such as national and local Wolof radio broadcasts, the young women's vocational center, initiatives in a village with a Christian presence for the construction of a basketball center, a wall around the village grade school, a multi-purpose business center, a **KING of GLORY** translation and distribution project, and more. Such actions are meeting felt needs, strengthening relationships, and opening doors into homes and hearts for God's love and truth to shine in.

NIGER WEST AFRICA

THE MISSION: to provide youth with development opportunities as they experience the love of Jesus and come into an understanding of the gospel and learn to walk with God. Much of this takes place at the Youth Development Center, which is home for the local church, kids' clubs, music school, computer classes, recording studio, and gospel-centered community events.

"LET THE LITTLE CHILDREN COME TO ME." —JESUS

PRAY AS GOD COMMANDED. GIVE AS GOD PROVIDES. GO AS GOD LEADS.

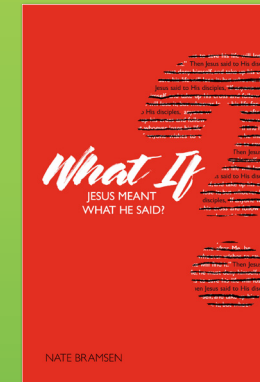

TANZANIA EAST AFRICA

THE MISSION: In partnership with local community leaders and trusted partners, the boarding school, **Tumaini Jipya (New Hope) Secondary School for Girls**, opened in January 2023 on an island in Lake Victoria. Each student finds herself in a feel-safe environment where she receives an academically excellent and practical education (like tending gardens and raising chickens), free from former fears of abuse, injustice, and scholastic failure. Above all, these girls are discovering their value as women made in the image of their Creator, deeply loved by Him. They are also seeing the big picture of God's plan of redemption as they go through the **KING of GLORY** curriculum and get into the Scriptures.

DISCIPLESHIP

TRANSFORMATIONAL TOOLS

WHAT IF JESUS MEANT WHAT HE SAID?

What if Jesus doesn't want to be **part** of your life?
What if He wants it **all**?

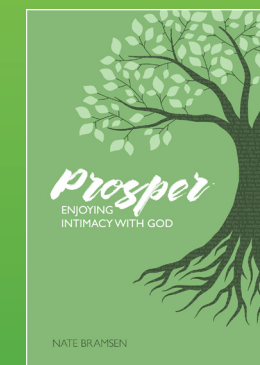

Take the journey from knowing about Jesus to knowing Jesus.

Discussion questions with each chapter.

WARNING: This could change everything!

PROSPER - ENJOYING INTIMACY W/ GOD

A 31-day journey in Psalm 1 with soul-searching questions.

Do we live in a state of spiritual poverty when God invites us to truly prosper?
What is the journey from merely knowing about God to enjoying intimacy with Him? What if your painful circumstances are actually perfectly suited for you to know and enjoy God more?
