BE EQUIPPED to BLESS the NATIONS
for time & eternity.

“THE FOREIGNER RESIDING AMONG YOU

must be treated as your native-born.
Love them as yourself,
for you were foreigners in Egypt.
I am the LORD your God.”
Leviticus 19:34

“YOU WILL RECEIVE POWER... & BE MY WITNESSES
in Jerusalem, and in all Judea and Samaria, and
to the ends of the earth.”
Acts 1:8

Heartbroken people from the ends of the earth
have come/are coming to our “Jerusalem.”

Are we equipped “to share with [them]
the gospel of God [and] our lives as well”?
1 Thessalonians 2:8

When the gospel is kept from nations,
the Lord of the Harvest can use the ravages of war
and struggles of migration to bring nations to the gospel.
The LORD sees & loves the refugees and immigrants among us.
Do we?

HOW CAN we share the big picture of THE GOSPEL with refugees and immigrants living among us – in a way that can break into their worldview and REACH THEIR HEARTS?

Jesus showed us.
Luke 24:13-32 NLT

- Jesus himself suddenly came and began **walking with them.** (v.15)
- And Jesus **asked them**, “What are you discussing so intently...?” (v.17)
- Then Jesus **took them through** the writings of Moses and all the prophets, **explaining** from all the Scriptures the things concerning himself. (v.27)
- As **they sat down to eat...** their eyes were opened, and they recognized him. (v.30)
- They said to each other, “**Didn’t our hearts burn within us as he talked with us** on the road **and explained the Scriptures to us?**” (v.32)

Working with global partners, **ROCK International** produces **multi-language, cross-cultural, chronological, captivating, clear gospel and discipleship multimedia tools** (movies, radio programs, books, booklets, audiobooks, etc.), which unveil the Old Testament’s FOUNDATIONS & FRAMEWORK, which point to and connect with the New Testament’s FULFILMENT of God’s rescue plan – all told and explained from the Scriptures in a way that can make sense to people of all worldviews.

Two Refugee Stories:

During a meal in a Christian home in Minnesota, the father of a Somali Muslim refugee family told the host family:

★ **“Today is a historic day for my family. We’ve lived in America for 14 years and today is the very first day we’ve ever been invited into an American home.”**

During the entire KING of GLORY movie, the Qur’anic teacher was silent. But as the 222-minute, 15-episode story concluded, he shook his head and said:

 **“We have been told wrong stories up to now.”**

This Afghan refugee had been a leader in a mosque in Afghanistan. But being a Shia Hazara (a dispossessed and persecuted ethnic minority) after the collapse of Kabul, he and his brother were tortured by the Taliban. With the help of Christians in a bordering country, they were able to escape. In their new country, after watching KING of GLORY in their heart language (Dari), his sister and brother-in-law came to Christ, followed by his brother . . .

Words of Wisdom from Cross-cultural Workers

HOW CAN WE communicate the chronological gospel in a way our non-English-speaking neighbors can understand?

Here is one proven way, as told by Barry and Candy, a couple who have invested the past 45 years in cross-cultural ministry – from living among two tribal people groups in Mexico – to serving refugees and migrants in South Carolina:

We must face four realities:

1. Most refugees who immigrate to America will struggle to understand the gospel in English – at least for the first few years.
2. Most of us will never learn their language to be able to explain the gospel to them in a way they can easily understand.
3. Most immigrants will not automatically equate our love and kindness with the love and grace of the one true God, who loves them and invites them to repent, receive His gift of salvation, and enjoy a relationship with Him forever.
4. They need to hear and understand the Good News of Jesus Christ in their heart language, and they need a good, clear, easy, and free way to access it. KING of GLORY provides this!

I find great comfort in knowing that when I share the KING of GLORY movie or picture book with people in their language about the greatest story and message ever – I know I am doing the best I can to meet their DEEPEST NEED.

The KING of GLORY Curriculum (movie, picture book, study guide, and coloring book) offers countless options. For example, if you are building a relationship with refugees who speak one of KING of GLORY’s 60 languages, consider combining it with English lessons. The *KING of GLORY Illustrated Study Guide* with its discussion questions helps assess their grasp of both English and the Creation-to-Christ-to-New-Creation Story with its embedded truths about God, humanity, sin, and salvation.

Watching the movie in English, scene by scene (about 3 minutes each), or episode by episode (about 15 minutes), will help them improve their English and understand the gospel. Then, either before or after the question time, you will watch together the same section in their language. Expect impact.
